What would you do if your parents were stranded in the zombie apocalypse half a continent away? For sixteen-year-old Charlie and his younger brother Jack, the answer is a road trip like no other. In search of their parents, they scale the continental summit and then descend into the scorching desert canyons of the southwest. Along the way, they battle zombie Elvis, the air force, and a psychotic dry cleaner lurking among the zombie hordes. Inferno of the Undead is an epic tale of two brothers' plunge into the fiery twisted heart of the apocalypse.
