Monks, Bandits, Lovers, and Immortals: Eleven Early Chinese Plays

This magnificent collection of eleven early [1250–1450] Chinese plays will give readers a vivid sense of life and a clear understanding of dramatic literature during an extraordinarily eventful period in Chinese history. Not only are the eleven plays in this volume expertly translated into lively, idiomatic English; they are each provided with illuminating, scholarly introductions that are yet fully intelligible to the educated lay reader. A marvelous volume.--Victor Mair, University of Pennsylvania
