When a community organization holds a charity carnival to raise money, Logan and Hailey are happy to help. Hailey mentions that the organizers want her to sit in the kissing booth, and Logan agrees to allow it since it's all for a good cause. Soon there's a long line of men willing to pay \$5 to kiss the beautiful Hailey. But when Logan returns to the booth an hour later and his wife is gone, he learns that she went off with a sexy black man down toward the cabins. He marches down there and hears voices coming from one of the cabins. He peeks inside the side window and sees something that will change his marriage forever.
