Get the book that tells the Hurricane Sandy story like only the writers and photographers of the Asbury Park Press can. This beautiful heirloom-quality, hard-cover, coffee-table book is a follow-up to the wildly popular soft-bound book we published in December. This book not only captures Sandy's fury and the unfathomable destruction left in her wake, but also the indomitable spirit of the residents of the Jersey Shore as they pick up the pieces and rebuild. This is the definitive book on Sandy and it includes stories, front pages and even more photos from our award winning photojournalists.
