The Queen's Blade T C Southwell

A doomed kingdom, a young queen's sacrifice and a killer who will bring an empire to its knees...

In a world where men share kindred with beasts, the Idol of the Beasts predicts a child who will end the Endless War after centuries of strife, but first the enemy king must die and his son be brought to the Jashimari Queen in chains...

After numerous failed attempts, killing King Shandor seems impossible, until an assassin offers to do the deed. His success places the Crown Prince at Queen Minna-Satu's mercy, and Blade becomes the instrument of her wrath. Forged in the fires of fury, his heart died long ago in the desert kingdom. His glance is as icy as his smile is disarming, and the fires of passion will never stir his blood. He is the Master of the Dance in Jondar, the best to ever hold the title.

Driven by hatred and with the skills of his trade, he will usher in a time of strife and pain that will live in legend, and forever bear his name. He is the instrument who can change fate. He is the Queen's Blade.
