This is a *Mind Blowing & Panty Melting* Alien SciFi Romance With A HEA And No Cliffhanger!

Madison was attacked when she was sixteen.

That attack shaped her life without her even realizing it. When she starts a charity to help other girls who have suffered like she has, she quickly realizes that her purpose in life is to make other women realize their lives are worth living.

When she goes out jogging one night and sees a falling star hitting the earth only a few hundred yards from where she is standing, she goes over to investigate.

When she finds a man lying where the fallen star should have been, she starts to question who he is, and more importantly what he is.

When the truth is revealed she's given a choice, a choice that will change the way that she is defined forever.
