## **Ariel (The Classic Crime Library) (Volume 16)** Lawrence Block

Here's one reviewer's take: "Originally marketed as "occult horror", Ariel is neither. It's a story of the madness that lies just under the surface, and what it takes to bring it out; the need to give evil a face and a name. Who better to scapegoat for unexplainable tragedies than the one who is Different? Ariel is adopted, and looks slightly unusual. Her unstable mother never fails to assume the worst, almost deliberately misreading the girl's ordinary teenage perceptiveness and need for privacy. By the book's end, almost everyone believes that Ariel is a monster -- including Ariel herself. "Great characterizations, wonderful descriptions -- I want to live in Ariel's house. I could wish for a sequel, or just for more books like it." And here's LB's: "A publisher provided the premise of Ariel—an adoption that went awry. I was in Charleston when I began the book, and chose that extraordinary city as its setting. I don't know to what extent the book works—I should note that not every reader agreed with the one quoted above—but I greatly enjoyed the interplay of Ariel and her friend Erskine, and on certain nights I can still hear her flute off in the distance." THE CLASSIC CRIME LIBRARY brings together Lawrence Block's early crime novels, reformatted and with new uniform cover art.

#### **John Lyons:**

As a student exactly feel bored to be able to reading. If their teacher asked them to go to the library or make summary for some publication, they are complained. Just tiny students that has reading's soul or real their passion. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring along with can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Ariel (The Classic Crime Library) (Volume 16) can make you sense more interested to read.
