Forgive Mandee Mae

Sadie knew the minute she graduated high school she had to get away. Being bullied and made fun of had worn on her self-esteem and made her feel like nothing. College was not only a place for her to create the person she wanted to be, it gave her the freedom to ignore those harsh words that broke her in high school. Life was going well until that familiar voice and face confronted her and her world shattered. Now Sadie must deal with the battle within. Can she let go of the past for good?

Matt was on a mission to show Sadie that he had changed and was asking for her to give him a chance to prove it. Will Matt accomplish the one thing he's set out to do? Will he be able to break through the wall that she still has up after all these years? As the truth about the past unfolds, will it destroy any future those two have or will it make their forgiveness become the foundation for the future?
