Even though Ava knows how she feels about her guardian Nathan is **taboo**, she can't help but sneak a peek when he comes back from his run. He's been training for a triathlon, and the sight of his bare chest and more gliding through the water has her soaking wet too! She's got to make a move, especially since she'll have to leave for college soon.

Nathan's tried his best to keep his eyes to himself, pushing himself further and further in an attempt to submerge his **base desires** for his grown up ward. But when a broken air conditioner forces Ava out to the pool, he'll have to figure out how to resist her offer to be taken **hard and unprotected** for the very first time.
