What Lexi wants is a simple life. What she gets is simply terrifying.

Lexi Sobado is a 20-year-old experienced intelligence consultant with a special psychic gift. However, her gift couldn't prevent her from becoming the focus of a stalker's desires. With a death threat shoved in her purse, she finds herself caught in the middle of a sinister web of crime and corruption.

Striker Rheas, a seasoned special agent, is charged with keeping Lexi safe. But can he keep his personal life separate from his professional life as he finds himself falling for his assignment?

What Lexi hides, what she reveals, and what she keeps trying to uncover is a delicate balancing act as she tries to save her own life and stop the killer. Can Lexi learn to love, trust, and harness the power of her psychic flashes before it's too late?
