Wilfred Wright

The Catch-up Maths Book: For anyone who needs to catch-up on Maths Wilfred Wright

This book covers Maths that will help both students and adults catch up on Maths they may have missed at school. It can be used by students revising for exams, sixth-form and college students reviewing key Maths concepts and learners working towards Adult Numeracy and Functional Skills tests. It can also serve as a review book for student teachers, nurses and general healthcare personnel. The topics cover areas such as addition, subtraction, multiplication, decimals, fractions, etc, knowledge of which is essential to survive in the 21st century.
