C. Roger Bleile and Blue Book Publications have created another classic book on engraving that all involved can be extremely proud to be a part of. I love Roger's writing because he skillfully includes just enough 'engraver's speak' to be accurate, yet not so much that the reader is confused. I think Roger 'writes from the bench,' which is why these books are so good. Simply a must-have book for anyone who enjoys the art of engraving. - Leonard Francolini, Master Engraver
