## **Domestic Service and Gender, 1660-1750 (Women and Men in History Series)** Tim Meldrum

In this exciting new study Tim Meldrum explores the "real lives" of domestic servants. From close examination of court records and other documentary evidence, he has reconstructed the lives of ordinary domestic servants in London. A revealing account of life below the stairs, the gendered nature of domestic service, how different members of the household interacted with one another, it makes a valuable contribution to the "separate spheres" debate.
