Mike Markel

Practical Strategies for Technical Communication Mike Markel

This brief version of Mike Markel's bestselling *Technical Communication* gives students clear advice and practical strategies for writing and designing all the major types of documents they will encounter in their professional lives. Retaining Markel's trademark student-friendly tone, the book offers concise yet thorough coverage of audience and purpose, research, style, and document design, user-friendly features to guide students in the writing process, and a wealth of annotated examples and sample documents to serve as models. Integrated coverage of social media and new technologies gives students the most up-to-date advice about technology in the context of specific tasks and documents. The print text is now integrated *with e-Pages for Practical Strategies for Technical Communication*, designed to take advantage of what the Web can do.
