A Unique View of the Bulgarian Peasant Life During the Ruso-Turkish War Circa 1877

This article in The Observer is a first person account of an American traveler passing through the Bulgarian lands North of the Balkan range during the Ruso-Turkish war of 1877. The author is equally amazed and shocked both by the unique, good natured life of the peasant Bulgarians, and thier raw, rugged way of life. The author gets to spend some time living with Bulgarian shepherds. This is one of the best accounts of what life was really life in the most rural edges of the Balkans during the last days of the Ottoman Empire. These are the kinds of characters that existed during the days of Bulgarian national heroes Vasil Levski and Hristo Botev.
