US-Israeli Relations in a New Era: Issues and Challenges after 9/11

US-Israeli Relations in a New Era: Issues and Challenges after 9/11

This book examines in depth the fundamental problems, factors and issues in current US-Israeli relations, which will have implications both for the Middle East and for world peace and prosperity.

The US and Israel have established an exceptional relationship, which has significant effects on events and processes in the entire Middle East. Israel depends on the US for military hardware, for support against hostile international organizations, and for economic and financial aid. In turn, it is viewed by the US as a strong and reliable ally, and the US has adopted strategic concepts that for decades have governed Israel's national security, such as pre-emptive strikes and counter-terrorist strategies. However, politicians and scholars have accused Israel and pro-Israeli organizations of exerting too much influence on US policy in the Middle East. Here, a collection of international experts present original research and findings on a wide variety of critical bilateral and regional issues in American-Israeli relations, approaching the topics from both theoretical and practical angles.

Sherri King:

As a college student exactly feel bored to help reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just very little students that has reading's heart or real their leisure activity. They just do what the professor want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this US-Israeli Relations in a New Era: Issues and Challenges after 9/11 can make you truly feel more interested to read.

John Razo:

What is your hobby? Have you heard this question when you got scholars? We believe that that query was given by teacher for their students. Many kinds of hobby, Every person has different hobby. And you know that little person just like reading or as studying become their hobby. You have to know that reading is very important as well as book as to be the factor. Book is important thing to add you knowledge, except your teacher or lecturer. You will find good news or update in relation to something by book. Amount types of books that can you choose to adopt be your object. One of them are these claims US-Israeli Relations in a New Era: Issues and Challenges after 9/11.
