As a pupil exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some guide, they are complained. Just little students that has reading's internal or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading really. Any students feel that reading through is not important, boring and can't see colorful pics on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country.
