Henry Chou, CCIE #10315, is a solutions architect with the Advanced Services Worldwide Wireless Practice group at Cisco Systems, Inc.

Michael Kang, CCNP, CCDP, CWSP, is a senior wireless network consultant with the Advanced Services Worldwide Wireless Practice group at Cisco Systems, Inc.

"There are a number of books available for Cisco's 640-721 exam, but by far Henry Chou and Michael Kang's CCNA Cisco Certified Network Associate Wireless Study Guide is in a league of its own. It divides the material into twelve chapters (five parts) and thoroughly covers the information. At the end of each

chapter, you have a "Two-Minute Drill" and a test (followed by the answers to such). The minimum number of these end-of-the-chapter questions is ten, with one chapter holding 11 and another 18. There are practice exams on the accompanying CD (making the total set 250), and two appendices on hardware-related subject matter. This makes for one powerful book and the ideal prescription for passing a popular CCNA exam."
