The Doctors Are In: The Essential and Unofficial Guide to Doctor Who's Greatest Time Lord Graeme Burk, Robert Smith

Get to know the eccentric alien known as the Doctor

From his beginnings as a crotchety, anti-heroic scientist in 1963 to his current place in British pop culture as the mad and dangerous monster-fighting saviour of the universe, the titular character of *Doctor Who* has metamorphosed in his 50 years on television. And yet the questions about him remain the same: Who is he? Why does he act the way he does? What motivates him to fight evil across space and time?

The Doctors Are In is a guide to television's most beloved time traveller from the authors of *Who Is The Doctor* and *Who's 50*. This is a guide to the Doctor himself — who he is in his myriad forms, how he came to be, how he has changed (within the program itself and behind the scenes) . . . and why he's a hero to millions.
