Around the Quilt Frame: Stories and Musings on the Quilter's Craft Kari Cornell

Inspired by the sense of community forged by the millions of women who have gathered with friends to quilt throughout history, *Around the Quilt Frame* draws upon this common bond, connecting today's quilters in a more symbolic way.

This unique compilation of essays and stories about quilts and quilting blends light-hearted tales with more philosophical pieces. From a variety of well-known quilting writers, including Helen Kelley, Ami Simms, Lisa Boyer, Patricia Cox, Jean Ray Laury, and Sandra Dallas, these pieces expertly stitch together a mix of contemporary and vintage pieces to create a patchwork of treasured and timeless tales.
