But what he really needs is someone to share his gorgeous house with, and he's starting to think he'll never find her.

When Michael meets Kristin, he knows she's the one. After a sizzling night together, all he wants is to sweep her away and give her a better life. He's built a house, but he's sure she can help him make it a home. But will she still be willing to live in the billionbear's den when she learns his secret?

This is a sizzling hot, standalone BBW bear shifter romance. No cliffhangers!
