Though my TABOO stories are about pushing the limits and breaking all the rules, it seems there are just some guidelines that we all have to follow. Of course, when Amazon banned my original titles for being too hot and controversial, I wondered if I could simply seduce my way out of trouble \*like most of my characters do! But alas, I have been forced to submit to their authority (some of my characters like that too!) and provide only very vague titles and descriptions for you, the reader.

Fortunately, they let me keep this title because it's actually about a priest!

So don't worry! This erotic story still features all the good stuff inside – naughty, kinky, forbidden relationships that explore the taboo of sexy characters who live and play together. Some readers may find this material offensive, so consider yourself warned...

When Alexa strays from Catholic school to seek her sexual desires, she is summoned to Father Peter's chambers to answer for her sin – but this priest expects all atonement to be secretly served through him. Soon, she is on her knees and bowing before him, although she suspects that her penance has little to do with praying. Now, he is slipping something he calls the Body of Christ between her soft lips and she must submit to Father Peter's perverted punishment.
