Wings of Our Own is a collection of stories about those "who also serve." This 240-page book is chock full of personal narratives and anecdotes and provides a linkage to the past as well as a taste of the present. These true tales of military life are emotionally charged, educational, inspirational and often humorous. All are heartwarming and demonstrate the bonds and similarities that connect them. Although these Air Force spouses share a special bond, every spouse and parent can relate to their stories.

#### **Laura Ide:**

As a pupil exactly feel bored to be able to reading. If their teacher asked them to go to the library or to make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their leisure activity. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Wings of Our Own can make you feel more interested to read.
