**What happens in Fiji stays in Fiji ... except when it doesn't.**

Nic Wilkinson is a responsible, organized, disciplined rugby player for the New Zealand All Blacks, and a man at the top of his game. Emma Martens is a sometimes-scattered, often-emotional, and always-broke would-be designer with a big chip on her shoulder where Nic's concerned.

They have no history together, except one perfect week. Nothing in common anymore, except the most important thing of all.

Getting together again would be messy. Complicated. Scary. And, just maybe, worth every risk.

Note: This STAND-ALONE romance, like New Zealand, contains a fair bit of steam. If that isn't your cuppa, you may want to visit a different country ... er, book.
