#### **Nila Cobb:**

As a university student exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just little students that has reading's heart or real their interest. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Slices of Life: The Art and Craft of Memoir Writing can make you experience more interested to read.
