**1000 Chefs-d'Œuvre érotiques (The Book) (French Edition)** Hans-Jürgen Döpp, Joe A. Thomas, Victoria Charles

Toutes les régions et civilisations du monde ont traité de l'érotisme, chacune à leur manière, avec leurs niveaux de tolérance et leurs propres références culturelles. Ces tendances se sont reflétées dans les travaux eux-mêmes. Des statues millénaires célébrant la fertilité aux gravures de la Renaissance élaborées pour encourager la procréation dans le mariage, l'art érotique a toujours eu une grande place dans la société. Pour la première fois ici, 1000 images d'art érotique ont été rassemblées, englobant tous les continents pour démontrer l'évolution du genre. Alors que l'érotisme abonde maintenant dans la publicité et les médias, ce livre offre une entrevue exceptionnelle dans les archives de l'imagerie érotique, soulignant la valeur artistique de magnifiques oeuvres érotiques exécutées de main de maître.
