**A Legal Affair Book 1: Club Prive (Leslie's Story)** M. S. Parker

*All of my friends have hot, amazing men in their lives, but I'm still single... and happy. I've never wanted to settle down. I enjoy going to clubs and hooking up with random men for the night... Then why the hell do I feel like something's missing?*

When gorgeous rock star Paxton Gorham walks into Leslie Calvin's office, she tells herself that she can't be attracted to him. He's looking for a divorce, which means he has two strikes against him: he's married and a client. What neither of them can deny, however, is the chemistry between them. They know it's a bad idea, but they can't help themselves.

**Four friends were introduced in MS Parker's Club Privé series, and three have gotten their happy endings. Will Leslie finally get the same in her own sizzling story, A Legal Affair?**
