## **CIVIL WAR SPY: And the Women he left Behind** Roy E. Hoover

Civil War Spy and the Women he left Behind blends action, scurrilous romance and history into a fascinating story reminiscent of *Gone with the Wind*. Based upon the Author's distant relation, George Pittman, anyone interested in the American Civil War will enjoy this book immensely. This sensationalized account creates such a compelling, exciting and potentially controversial novel that everyone will want to talk about it, even if certain aspects disagree with their philosophy. It is unlike anything written recently! Now includes photos of actual sites. #Spy #Arie

Disheartened by the lack of mail, the Spy and his wife become unsure if their love has survived the gnawing doubt those years of separation has foisted upon them.

Eventually this brings potential lovers to the door of the wife, which causes stirrings deep within that weakens her resolve. The feelings frighten her, for she knows that any hint of impropriety may reach her husband and cause their marriage to disintegrate.

Meanwhile, to keep up his image as a gallant Confederate Officer, the Spy has become involved with a Woman-of-the-South that provides sustenance to his lonely soul. It is her love that requires her to chase him throughout the South.

In time, frustration and loneliness compels his wife to go find him, and she narrowly misses catching another woman in his bed.

If you are looking for adventure in pursuit of rare secrets, then check out this ambitious blend of action and love for the sake of love. It is full of just enough of the right kind of detail to make you feel as if you are there, and the characters are congenial and believable, while not being stereotypical. All of them present memorable and deeply human emotions, as they traverse the unusual pitfalls of life. Their intense relationships are as much a part of this story as is the twisting, breathless sequence of events.

Civil War Spy and the Women he left Behind presents an astonishing roller coaster of emotions that run wild. This book will not let the reader ignore it and the mysteries and complexities of the characters will make you wish you could chase their dreams and tolerate their fears.

This novel builds up to an amazing ending that will leave you wanting more and saying, "Good for her!"

Civil War Spy and the Women he left Behind, as well as the prequel, *Run to the Sun*, are smoothly blended into the much larger novel, *Lavenders of Eternal Bliss: An American Family Saga*.

Other books by Roy E. Hoover include:

*Sisters of Covet: Chasing What-might-have-been*, available as a hardcopy edition.

*Lavenders of Eternal Bliss: An American Family Saga*,

*The Thorn from the Holy Crown*,

*How to Write eBooks Today*,

*Run to the Sun*.
