Icons of Twentieth-Century Landscape Design

Katie Campbell

Icons of Twentieth-Century Landscape Design Katie Campbell
The 29 landscape designs selected for this book have changed the way we look at designed outdoor spaces. They are examples of the ways in which 20th-century landscape designers have attempted to create a new style to reflect the modern age. All the landscapes still exist in some form and most can be visited. They range from Frank Lloyd Wright's Fallingwater to Brenda Colvin's Eggborough Power Station, Ian Hamilton Finlay's Little Sparta to Maya Lin's Vietnam War Memorial, Derek Jarman's Prospect Cottage to Charles Jencks' garden of Cosmic Speculation. Katie Campbell is the ideal guide and interpreter. She opens our eyes to the radical ideas, new materials and artistic intentions and achievements behind her chosen sites.
