Something More Than This Barbie Bohrman

Katy Lewis has it all: a sports reporting job she loves, a great roommate, and two brothers who, while nosy, always have her back. But when Conner Roberts, Katy's unrequited first crush, suddenly shows up—and shows interest—after nine years, she reverts to a sweaty, panicked sixteen-year-old once more.

And if trying to read Conner's signals isn't tough enough, Katy's heart is sending some mixed messages of its own. When a beautiful blonde coworker starts pursuing Katy's boss, Dylan Sterling—her longtime mentor and friend—she realizes she may have a problem with that. A reunion with Conner is what she's dreamed of for so long...so why can't she stop thinking about Dylan?

For the first time ever, Katy must fact-check her heart. Should she go after the guy she thought she always wanted or see if there's something more with the one who's been there all along?

From reader reviews:

Richard Swisher:

Reading a book tends to be new life style in this particular era globalization. With studying you can get a lot of information which will give you benefit in your life. With book everyone in this world can share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their very own reader with their story or perhaps their experience. Not only the storyline that share in the textbooks. But also they write about advantage about something that you need illustration. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors on earth always try to improve their proficiency in writing, they also doing some analysis before they write with their book. One of them is this Something More Than This.

William Powell:

A lot of people always spent all their free time to vacation or perhaps go to the outside with them family or their friend. Do you realize? Many a lot of people spent many people free time just watching TV, or perhaps playing video games all day long. If you need to try to find a new activity this is look different you can read the book. It is really fun to suit your needs. If you enjoy the book that you simply read you can spent all day every day to reading a publication. The book Something More Than This it is quite good to read. There are a lot of those who recommended this book. We were holding enjoying reading this book. In case you did not have enough space to deliver this book you can buy the actual e-book. You can m0ore easily to read this book from a smart phone. The price is not very costly but this book offers high quality.

Sandra Alexander:

Is it anyone who having spare time subsequently spend it whole day by means of watching television programs or just laying on the bed? Do you need something totally new? This Something More Than This can be the reply, oh how comes? The new book you know. You are and so out of date, spending your time by reading in this brand new era is common not a nerd activity. So what these publications have than the others?

Tammy Paradis:

As we know that book is important thing to add our knowledge for everything. By a book we can know everything you want. A book is a set of written, printed, illustrated or perhaps blank sheet. Every year was exactly added. This guide Something More Than This was filled with regards to science. Spend your spare time to add your knowledge about your science competence. Some people has different feel when they reading some sort of book. If you know how big selling point of a book, you can experience enjoy to read a e-book. In the modern era like currently, many ways to get book that you just wanted.
