The Exodus from Egypt

They first moved to Egypt as honored guests, but they left as despised slaves, pursued by Pharaoh`s army. The Israelites set out on a great exodus from Egypt to Canaan, but their journey took a dramatic detour as they spent forty years wandering in the wilderness. This amazing account of Abraham`s descendents and the reasons for the events that occurred are important for every Christian to understand.

The Exodus from Egypt takes an in-depth look at the historical period beginning with God`s calling of Moses, continuing through the giving of the Ten Commandments, and concluding with Moses` death. Studies include close-ups of Moses, Aaron, Caleb, and others, as well as careful considerations of doctrinal themes, such as “In God`s Service” and “Justice versus Mercy”.

This twelve-volume MacArthur Old Testament Study Guide series provides intriguing twelve-week examinations of the entire Old Testament. Each guide looks at a portion of Scripture from three perspectives - historical studies, character studies and thematic studies - and incorporates extensive commentary, detailed observations on overriding themes, and probing questions to help you study the Old Testament with guidance from John MacArthur.
