Doing Business: A Cross-Cultural Guide

Rongxing Guo

Doing Business: A Cross-Cultural Guide Rongxing Guo

The book presents various methods of and tactics to doing business across different cultures. It discusses the major cultures of the world, with a special focus on their influences on business administration and economic management. It applies a dedicated set of established theories and methodologies from economics and management science. In the book, the author develops some new methods and techniques in order to improve the efficiency of cross-cultural trade and other economic activities. Springing from the author's multicultural working experiences during the past decades, the contents of this book prove useful to researchers and practitioners dealing with cross-cultural businesses and other economic issues, as well as to MBA and other master degree students studying business administration, international economics and cross-cultural strategic management.
