Desire beyond imagination...danger that's all too real.

A sequel to In His Wildest Dreams

World-weary, burned-out undercover cop Aidan Grieve's latest assignment has brought him home to the Highland village he couldn't wait to leave, but something's definitely wrong in Ardknocken.

When did his parents get so frail? What is his sister thinking, befriending the chief suspects in his investigation—the ex-cons of Ardknocken House? And why can he barely control his instant attraction to the house's beautiful manager?

Her mind and body still mending from a vicious attack, ex-parole officer Chrissy Lennox isn't ready for a complication like the charming, empathetic, gorgeous Aidan, a restless adrenaline junkie for whom this sleepy village has never been big enough.

Yet as easily as the meddling selkies shed their skins, desire strips away their hesitation, and not even the cold Scottish sea can cool the fire. But as Aidan's investigation progresses, so does the danger—revealing secrets that could leave their hearts in pieces.

Warning: When our hero is good, he's *very* good...but when he's bad, he's delicious! Also contains lusty, mischievous selkies who'll steal your heart with one flipper while stealing your underwear with the other.
