**Rebecca West:**

As a university student exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's soul or real their interest. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Surveillance Countermeasures: A Serious Guide To Detecting, Evading, And Eluding Threats To Personal Privacy by ACM IV Security Services (1994) Paperback can make you experience more interested to read.
