This attractive potty training package combines a delightful animated cartoon DVD movie with Barron's popular picture storybook, *The Potty Book for Boys*. The star of both the book and the DVD is Henry, a toddler who is graduating from diapers and learning to use the potty! This good-looking *Potty Movie and Book* package opens up book-style to display the picture book in the right-hand pocket and the DVD in the left. Kids can watch Henry's growing-up adventure on the DVD, and sing "Bye-Bye, Diapers" with him. Later, Mom or Dad will want to reinforce the potty-training message by reading the storybook to their little boy. This combination package is also available from Barron's in an edition for little girls. It stars Hannah, who is also graduating from diapers.
