The Life After Vol. 1 Joshua Fialkov

Jude's life is nothing special. It seems like every day is just a repeat of the last one, until one day, he meets a woman and can suddenly see into her past -- revealing that he is actually in Purgatory for suicides. Now that he's awake, he and the legendary Ernest Hemingway are on the path to change things in the afterlife for the better. Of course, that might not sit very well with the bigwigs down below or up above. Can just a few people change the course of billions of souls?

Collects the first five issue of the ongoing series.
