**Edgy Contemporary Romance. The difference between HBO and ABC.**

LOVE in the USA travels from Martha's Vineyard to Manhattan.

Maggie Conroy is your average city girl. She has good girlfriends, a whole lot of education and a crappy job that comes complete with the boss from hell, aka Cruella La bitch. But Maggie's life takes a turn for the darn near perfect when her billionaire cousin, Belmont "Jack" Lord, pulls some strings, which lands her the job of her dreams. There's one problem. She knows her new boss, Vincent Adams, from high school. He wasn't very nice to her back then but she'd rather take her chances with him than go back to slaving for the person who may be the worst human being on the planet.

Vincent Adams didn't expect to see Maggie Conroy ever again, although he has thought about her over the years. He's dated some of the most beautiful women in the world and yet he still feels as if he will never be the kind of man that someone as smart, edgy and beautiful as Maggie could ever want. In high school she had a thing for his best friend, Robert Tango. But this time around Vince is determined to win Maggie's attention and her heart. It won't be easy because he and Robert are still best friends and business partners, and Robert wants Maggie just as much as he does.
